Dear Sirs,

This is a letter for a request for a waiver regarding application 181042606 and FRN 1899083331.

The vendor that was selected to award a bid to for internet services for Rose and Alex Pilibos Armenian School and I had a misunderstanding about when the filing deadline would be for year 2018 USAC's eRate program. I failed to obtain the proper documentation in the form of a signed contract from the sales representative in a timely fashion and thus, when I attempted to file in PST time zone prior to 11:59 PM, I realized that I had missed the deadline of 11:59 PM EST.

I contacted USAC seeking guidance in addressing this matter and they directed me to file directly with the FCC.

What Rose and Alex Pilibos Armenian School would like to respectfully request from you is to please provide us with a waiver for USAC to accept our eRate application for 2018 funding. This will allow us to continue carrying out our mission of imparting quality education like no other school, through fully utilizing the latest technological tools for education. Moreover, we intend to contract the services of a consultant next year to prevent a repeat of this situation.

Sincerely and thankfully,

Jose Valencia
